DECEMBER: "AMAZING TRAVEL TIPS"

Christmas is the busiest travel time... some tips to stay sane:

1. **WHERE'D WE PARK THE CAR A WEEK AGO?**

Take a picture of your parking area with your cellphone! This is also a great tip anytime, especially big shopping malls, not just for airport parking.

2. **SEND YOUR LUGGAGE AHEAD**

Would your vacation be ruined without your clothes? Golf clubs? Baby's crib? So why stress? Ship it ahead and avoid the hassle of lugging it to the airport. Check-out **VirtualBellhop.com**, **LuggageFree.com** or **FEDEX & UPS** ground services in your neighborhood at **Kinko's** and **UPS** stores.

3. **LOOKUP YOUR AIRPORT ON THE INTERNET**

Get to airport early and treat it like the first part of your vacation! If you're leaving from **LAX**, go to **lawa.org** and plan to dine at **WOLFGANG PUCKS**, do some shopping at **BROOKSTONE**, **THE BODY SHOP** and **BOW WOW MEOW**, grab a book for the flight at **WH SMITH** and something for the kids at **SEE'S CANDY**.

DECEMBER: “AMAZING TRAVEL TIPS” (cont’d)

4. ADD A RELIABLE FAMILY OR FRIEND TO YOUR RESERVATION

Years ago my flight was hours late taking off. I knew I'd miss my connection, so I called my sister who was able to reschedule my connecting flight for the next morning and book a hotel for me at the airport.

Always put someone trustworthy in your reservation who can make changes on your behalf. If you don't do so ahead of time, even spouses can't make changes for each other!

5. STAY HEALTHY

These four simple items available at most drugstores work wonders!

- a) Buy lots of travel-size HAND SANITIZERS and stick them everywhere.
- b) SALINE SPRAY inhibits bacteria and keeps you from drying out.
- c) Discreetly dab a bit of ANTIBACTERIAL OINTMENT in your nose.
p.s. Check in the mirror afterwards!
- d) Add water-soluble VITAMIN packets to your bottled water and drink a lot!

6. GO TO THE TOP DOG

If you're staying at a hotel, call the front desk and ask for the name and fax number of the General Manager. Fax him or her a chatty note about how excited you are to be staying at their hotel and you'd like recommendations for a romantic weekend or a family vacation with two young boys, etc. Ask for any special information about their hotel and the surrounding area for your situation.

Chances are the GM will assign someone to do research and respond to you. You'll get personalized service before and during your stay!
